ENVITED – Environment for Virtual Test Drive

COOPERATION PLATFORM to turn the vision of autonomous driving and fully connected mobility systems into reality in near future. Open for all interested parties in the field of driving simulation.

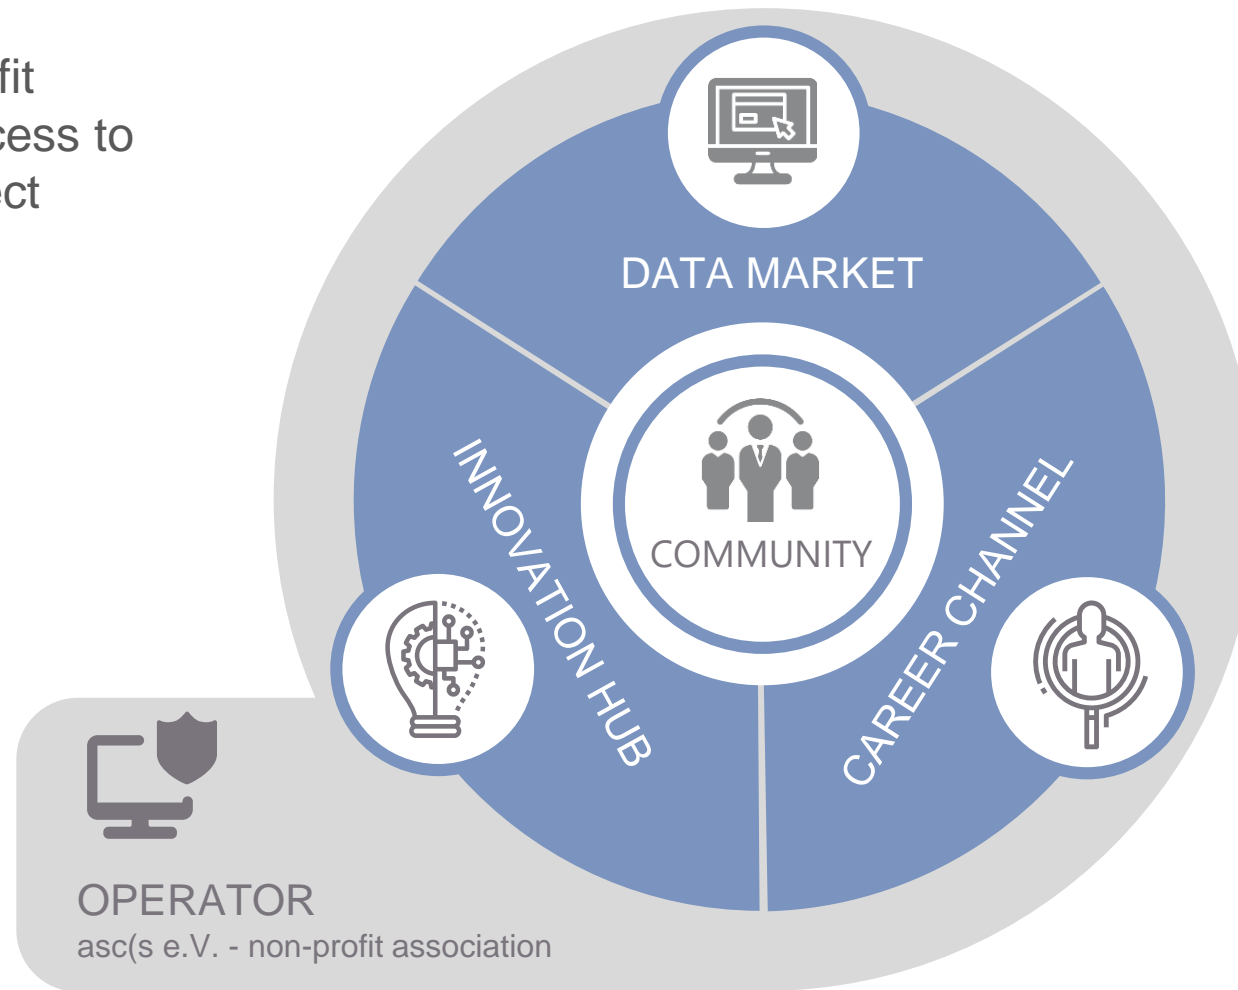

The aim of the ENVITED community is to establish an unique **ECOSYSTEM** for

- open solutions
- technology transfer
- synergies

ENVITED – Subject Areas

Our partners benefit from simplified access to three central subject areas:

ENVITED – Subject Areas

DATA MARKET

- ✓ transparency
- ✓ standardized data
- ✓ classification & certification

INNOVATION HUB

- ✓ working groups & projects
- ✓ methods & processes
- ✓ guidelines

CAREER CHANNEL

- ✓ motivation
- ✓ visibility
- ✓ training & education

ENVITED – Your access

Get in touch with us and explore your individual benefits!
